

*“The color and/or texture of the walls in an office is an important component to the overall design of the space.”*

The Occupied Renovations turnkey concept provides a full spectrum of services to meet all wall covering requirements. The color and/or texture of the walls in an office is an important component to the overall design of the space, which is why our installation technicians are trained to apply and install a variety of wall finishes including but not limited to:

- paint
- vinyl wall covering
- textile wall covering

- acoustical textile wall covering
- high impact wall protection systems
- stained wood panels
- fabric wrapped panels
- electrostatic painting
- window film
- printed murals and logos

With Occupied Renovations®, the walls of a space will be designed to complement the other finishes of the project, and be refinished in conjunction

*Children's Medical Group: waiting room*
